

WINTER 2021 SEASON UPDATE

1 September 2021

Season Update -

In this time, like never before, we fully recognise the value and importance of community sport and the roles our Associations and Clubs play in providing the children of Bayside supportive, inclusive sporting environments. Comments about how much children are missing their sports, the friendships they bring, the fitness benefits, the mental health benefits, the community feel and of course the sausages and egg and bacon rolls are bounding off the Bayside Walls !!

This latest break has been particularly difficult and frustrating for all on many levels. If at all possible, we are keen to provide our players the opportunity to complete the season and get in as much court time as possible. After full consultation with our Clubs, their Coaches and Committees the SANDY board has made the decision to continue with the Winter 2021 season in Term 4.

It is important to note that throughout the course of this year we have been consistent with our approach in doing whatever we can to ensure we have as many of our players as possible back on the courts and enjoying the sport they all love. We will continue to be as flexible and as accommodating as possible in regards to yet another change.

The coming weeks and certainly after the 23rd September should provide greater certainty with our planning and we ask for your patience over this time.

Further Updates will be made to the NEWS Section of our website as soon as practicable.
